## HACKING TO DEATH OF VILLAGERS BY BULGARS VERIFIED

Non-Combatants Also Burned Alive by Barbarous Troops Fleeing Through Hapless Macedonia.

## TURKS PUSHING STEADILY UP TO FRONTIERS

(By Leased Wire to Evening Herald.)  
Saloniki, July 16.—Full confirmation of the reported sacking and burning of the Macedonian town of Seres by the fleeing Bulgarian troops and of the crucifixion, hacking to death or burning alive of many inhabitants has been sent to the Austro-Hungarian government by Consul General August Krat, of Saloniki.

Three-fourths of the formerly flourishing town of 20,000 inhabitants is a mass of smoking ruins says the consul general, who has just returned from Seres.

Another horrifying story of the massacre reached here today from Doiran, forty miles northwest of Saloniki. Musalmans there have made a written declaration, countersigned by three local Bulgarian priests, that the Bulgarians slaughtered thirty thousand Musalmans who had sought refuge in Doiran.

## TURKEY MAKING MOST OF THE BALKAN IMBROGLIO

Constantinople, July 16.—The government is determined to push forward Ottoman troops as far as Adana, captured by the Bulgarians during the recent Balkan war.

It intends to take this bold action not only because of the material advantages to be gained but because of the moral effect it will have on Turkey's international situation.

It is expected that by this means the position of the government will be strengthened and consolidated and it is felt that even if the powers insist on bringing pressure to bear to compel the maintenance of the future frontier line between Turkey and Bulgaria from Enos on the Aegean to Midia on the Black sea, Turkey will yet be in a position to enforce the autonomy of the province of Thrace.

## BULGARIANS OFFER NO OPPOSITION TO OTTOMAN

Sofia, July 16.—Turkish troops yesterday crossed the new frontier line between Bulgaria and Turkey, running from Enos on the Aegean sea to Midia on the Black sea. They already have penetrated a distance of nearly 20 miles into the Bannarbas region, the Bulgarian troops offering no opposition. The Christians in the district are alleged to be fleeing before the Turkish troops owing to their excesses.

It was officially confirmed today that the cabinet under Premier Danoff had resigned.

## ARTIFICIAL LEG STRAP MEANS OF SUICIDE

Colorado Ranch Manager Hangs Self in Cell After Attempting to Shoot Unresponsive Maiden.

## ROUND-WORLD TOUR OF THE AMERICANS AND NATIONALS ASSURED

(By Leased Wire to Evening Herald.)  
Castle Rock, Colo., July 16.—After having been arrested on the charge of having attempted to kill Miss Nellie Gross because she refused to marry him Charles Credilus, 27 years of age, manager of the Ewing-Milligan ranch near here, committed suicide in his cell this morning by hanging himself with a strap from his artificial leg. Immediately upon his arrest he declared to the sheriff his intention of killing himself. To prevent it, if possible, the sheriff removed the artificial leg and all instruments by which he believed the prisoner could carry out his threat. The straps to the leg were left dangling from the stump of the limb. According to information obtained by the authorities Credilus and Miss Gross were riding when he promised marriage to her. He is said to have threatened her with death upon her refusal, and so frightened her that she leaped from the buggy, falling in the road. Credilus was charged with having fired a shot at her while she lay prostrate. The young woman rose and ran to the ranch house of Cole Bristow, near by, where she was followed by Credilus, who is said by the Bristows to have fired several revolver shots in the house in an effort to make them deliver Miss Gross to him.

Mrs. Bristow telephoned for the sheriff who arrived in an automobile and arrested Credilus.

## BALTIMORE AND HAVE FULL RIGHT OHIO REMAINS INDEPENDENT SAYS CHIEF TO RUN OWN CANAL IF WE WISH

Will Lose Nothing by Pennsylvania Stock Arrangement and Policy in Future Will be Unchanged.

## BALTIMORE REMAINS CHIEF SEA PORT

(By Leased Wire to Evening Herald.)  
Baltimore, July 16.—Commenting on the transfer of \$25,000,000 of Southern Pacific stock by the Union Pacific for about \$42,000,000 of Baltimore & Ohio stock in the Pennsylvania railroad, which was consummated today, President Daniel Willard of the Baltimore & Ohio said: "There is no reason to suppose that the Baltimore & Ohio railroad company will lose anything by the large exchange of stock ownership and it is not likely that it will gain anything by the arrangement. Its policy in the future will continue as it has been in the past. Baltimore will continue to be the chief Atlantic port of the Baltimore & Ohio railroad. This will not be actuated by sentimental motives only, but it will do it because it is for the best interests of the property to do so."

Mr. Willard stated that he believed the Pennsylvania had been more embarrassed by its ownership of Baltimore & Ohio stock than the Baltimore & Ohio had been because of the arrangement, but that whatever the situation may have been in the past, in the future it could be said most emphatically that the Baltimore & Ohio is an independent property and free to do whatever seems best for its own development and for the advancement of the communities which it serves.

## WISCONSIN MAN MINISTER TO CHINA

Dr. Paul Reisch, Professor of Political Economy in University Authority on Oriental Situation.

## BY LEASED WIRE TO EVENING HERALD

Washington, July 16.—Dr. Paul Reisch, professor of political economy in the University of Wisconsin, has been selected for minister to China.

Secretary Bryan, Dr. Reisch and President Wilson had a long conference at the White House today after which it became known that Dr. Reisch's name would be sent to the Senate probably Friday.

Dr. Reisch is a writer of recognized authority on oriental topics and far eastern politics. His works on those subjects have been translated into Japanese, Chinese, Spanish and German. Dr. Reisch was born in Milwaukee in 1869, was educated in Berlin, Rome and Paris and began college work at the University of Wisconsin in 1892. He had been active in Pan-American conferences, societies for the study of international law and historic researches. He is married and lives in Madison.

## HAY-PAUNCEFOTE PACT GIVES US PRIVILEGE

(By Leased Wire to Evening Herald.)  
Lansing, Mich., July 16.—Commenting on the transfer of \$25,000,000 of Southern Pacific stock by the Union Pacific for about \$42,000,000 of Baltimore & Ohio stock in the Pennsylvania railroad, which was consummated today, President Daniel Willard of the Baltimore & Ohio said: "There is no reason to suppose that the Baltimore & Ohio railroad company will lose anything by the large exchange of stock ownership and it is not likely that it will gain anything by the arrangement. Its policy in the future will continue as it has been in the past. Baltimore will continue to be the chief Atlantic port of the Baltimore & Ohio railroad. This will not be actuated by sentimental motives only, but it will do it because it is for the best interests of the property to do so."

The question of Panama canal tolls should be given serious consideration, he declared, because its determination will fix the government's policy of equal control for an indefinite period.

Under the second article of the Hay-Pauncefote treaty, which is furnishing the basis of the British arguments against discrimination, Senator Robinson said this country has the exclusive right to regulate and manage the canal.

## PAYS \$25.00 FINE FOR WEARING A SPLIT SKIRT

Naughty Blossom Browning of Richmond Will Leave at Once for New York Where They're Not So Prudish.

## BY LEASED WIRE TO EVENING HERALD

Richmond, Va., July 16.—Blossom Browning paid a \$25 fine in Judge Crouchfield's court here today for wearing a slit skirt, and declared she intended to go to New York immediately "where people are not prudish."

She was charged with indecent exposure. The short slit knee high, and held by the police as evidence, was restored to Miss Browning on her promise to sew up the slash or not to appear again in the streets of Richmond without a petticoat. Miss Browning's lawyer argued that the sale of the skirt by a licensed department store permitted her to wear it. Judge Crouchfield replied that a city license for the sale of firearms did not authorize murder. The justice, after an inspection of the offending skirt, blushingly fined the defendant, who paid with the retort that "Richmond was a most liberal city."

Secretary Bryan positively declined to add any information to his brief announcement of Ambassador Wilson's call to Washington.

However, it is assumed that the administration desires to learn from the ambassador directly what influences actuated the foreign diplomatic representatives in Mexico when they jointly agreed to address their governments with what amounted to formal complaint against the attitude of the United States in its relations with the Huerta regime. President Wilson has kept an open mind on the subject and is thought to feel bound to adhere to the policy he announced early in his administration of lending moral encouragement only to such governments in Latin America as were founded in constitutional law and practice. It is understood that he is ready to give due weight to any representations Ambassador Wilson may care to make. The president has had the benefit of private reports from several of his personal friends who have traveled in Mexico recently but these were unofficial and not sufficient to form the basis of formal attitude if there were to be any change in policy.

Secretary Bryan was asked if the coming of Ambassador Wilson to Washington would change his projected lecture tour. He replied:

"The newspapers might have assumed that my lecture dates would not interfere with business, instead of assuming that they would. All my lecture dates were made subject to cancellation."

## WILSON RECEIVES WORD TO COME TO WASHINGTON

Mexico City, July 16.—Ambassador Henry Lane Wilson leaves here for Washington tonight in response to orders from the state department.

Secretary of State Bryan, in communicating with the ambassador, said President Wilson wished him to make a personal report on the conditions in Mexico. Nelson O'Shaughnessy, secretary of the embassy, will be left in charge.

## HENRY LANE WILSON IS CALLED HOME

Ambassador to Mexico Ordered to Report as Soon as Possible at Washington to Discuss Situation.

## MEANS UNCLE SAM WILL TAKE DEFINITE STAND ON HUERTA

Important Announcement of International Attitude Expected to Follow Presidential Consultation.

The most important development in the Mexican situation for months came today when President Wilson ordered Ambassador Henry Lane Wilson to return at once to Washington for a conference. Following immediately upon the inquiry of a foreign power as to the attitude of the United States in Mexico, it is construed to mean there will be a "show down" as soon as the ambassador can reach Washington.

## BY LEASED WIRE TO EVENING HERALD

Washington, July 16.—President Wilson today, after an early conference with Secretary Bryan over the latest aspect of the Mexican situation presented by the inquiries of foreign nations as to the attitude of the United States, ordered Ambassador Henry Lane Wilson at Mexico City to proceed to Washington immediately for a conference.

Ambassador Wilson will hurry north on either the battleship Michigan or Louisiana from Vera Cruz, if any delay would be entailed by waiting for a commercial steamer. Officials here believe that almost total interruption of railroad traffic between Mexico City and the United States will force the ambassador to make his trip by boat. He is not expected here before July 23 at the earliest. It is believed in official and diplomatic circles that an important announcement of the attitude of the United States in the pending situation will follow closely the unofficial announcement that some of the foreign powers which have already recognized the Huerta government were pressing for some indication of the attitude of this government toward the continuing disorders in Mexico leads to that belief.

Secretary Bryan positively declined to add any information to his brief announcement of Ambassador Wilson's call to Washington.

However, it is assumed that the administration desires to learn from the ambassador directly what influences actuated the foreign diplomatic representatives in Mexico when they jointly agreed to address their governments with what amounted to formal complaint against the attitude of the United States in its relations with the Huerta regime. Peking, July 16.—The provinces of Kiang Si, Kiang Su, Kwang Si, Fu-Kien, San Chuen, Yu-Nan, Ngan-Hwei and Kwang Tung are preparing to declare their independence and to form a southern Chinese confederacy according to apparently authentic statements current here. Fighting continues in the province of Kiang Si and large numbers of northern troops are proceeding there.

The attitude of the Japanese is bitterly commented on there. The Chinese believe they are stirring up strife everywhere and Japanese officers are said to be fighting on the side of the rebels. The presence of Japanese gunboats in the fighting zone lends color to this belief. The southern provinces openly claim they have received assurances of Japanese support.

Commenting on an alleged speech of the Japanese minister designated to China in which Yuan Shih Kai's administration was criticized, the newspaper pointedly refer to the recall of Charles Crane, former United States minister to China after his interview in Chicago and intimated that similar action would be advisable in the case of Enrico Mattei.

The German consulate at Nanking was surrounded today by insurgents.

It was stated that in the event of an attack the Germans intended to adopt their own measures for protection.

The trouble apparently arose owing to the Germans recently permitting the extradition of two revolutionaries who had taken refuge in the German concession at Hankow.

## BY LEASED WIRE TO EVENING HERALD

Chicago, July 16.—Declaring that the divorce of William Guggenheim, the millionaire mining man, from Grace Brown Guggenheim-Wahl in 1901 was obtained by fraud, collusion and criminal conspiracy, Judges Windes, Heard and Baldwin, sitting en banc today instructed State's Attorney Hoyne to proceed in criminal action against the alleged parties to the fraud.

Residents of Illinois cannot be prosecuted because the statute of limitations precludes action," said Assistant State's Attorney Huber, "but we can proceed against the principals to the suit who are non-residents and therefore cannot profit by the statute of limitations."

Miss Guggenheim-Wahl, seeking in various suits to have the divorce declared invalid because in obtaining it she swore falsely that she was a resident of Illinois, testified that she acted on advice of counsel for her husband.

The judges today denied a motion made by State's Attorney Hoyne as a friend of the court, to expunge the record of the divorce, declaring that the matter should be taken before the appellate court which has the questions involved under consideration.
